The History of our Rising Star School

Late Tejraroji Patil Multipurpose Education Society was established by Mr Subhash Nikam who is the founder of our Education Society.

Which was started in the year 1998 by socially committed people having experienced in primary and secondary education. Rising Star English School is started in the year of 2004-2005 with only 17 students, currently the school successfully curving thousands of students.

“Rising Star group” is not only education centered institute but also the institution which makes your child educated and defines a person which is really precious to you and definitely to us also.

Shri. Subhash Tejraroji Nikam sir the great exemplary personality in the education world founded Late Tejraroji Patil Multi-purpose Education Society in 1998 with a view to spread light of knowledge and education. In order to fulfill the demand of well furnished, high-tech school. He took strenuous effort. Eventually his dream of opening such school came into force in the year 2004-05. Under the management of Late Tejraroji Patil Multipurpose Society he started Rising Star English school in 2004 05 with only 17 students and a few dedicated teachers.

We are really proud of our school. Rising Star School is now one of the esteemed schools in the city of Aurangabad. We are greatly proud of our pearl children those are always top in their studies but also create their identity in the arena of education. In a real sense, we crystallize and mould their prospect. We strongly believe that Rising Star School is a place where children not only enjoy their career education but also make top-notch progress. We are fully committed to provide quality education as per global standard within a vibrant, friendly and happy environment where our students become self-reliant, articulate, and intellectual individuals. The school is accredited with the recognition of government of Maharashtra. Now it has ushered in high school level. The school is now considered to be the best school in the city of Aurangabad.

Parents Message

My daughter Ms prakruti chikhale is presently studying in sr kg in Rising Star English School. I would like to thank her class teacher Joshi mam for all their hard work, dedication, affection and care given to her by them. Your school had changed her to a very great extent for which we were waiting for last one years. There love and affection towards her made her versatile. Our association with the school is deeply gratifying experience.

All the class teachers whom I interacted with were extremely hard-working and always deeply concerned about the students, but most importantly always humble.

My sincere thanks to all of them.

I had been studying in this school since Jr. Kg and I had seen whole journey of the school. Now the Rising Star has become a teknowed school just be cause the efforts of the whole teacher and staff and they make it successful. The aim of every teacher is to make their children bright. I must say the teacher very nicely and politely and clear every doubt and school environment is just awesome.

From - **Mansi Bhuse**

My school has developed in me all that life skills a successful candidate must have. Rising Star School focuses not only on academics but also on personality development of students. The extensive knowledge of teachers and immense support they provide is incomparable. The knowledgeable environment that school provides is prevalent than any other institution. In the current world of competition our school is shaping its Rising Stars. I am really proud to be a part of Rising Star School...

From - **Abhinandan Chawan**

I'm on last stage to becoming a CA. My school life was a learning experience for sure. I couldn't get somewhere else with the trust and inspiration it gave me. Most importantly, it is the place where I have acknowledged my individuality and uniqueness. For me, my school life is no less than a blessing that has given me priceless joys in life. I've been a student at my school for 10 years.
